Forestry Commission England

Learning in your forest

Ranger In A Bag

Each bag contains:

- Equipment, games and resources
- Activity instructions
- Health and Safety guidance
- Sample risk assessment
- Plenary activities

Magic of the Brecks
Look into some of the amazing things that make the Brecks so special. A selection of resources to help support learning whilst using the Magic of the Brecks trail (follows the Pine Trail) onsite.

Amazing Animals
A selection of clues and evidence left behind by forest animals and birds, as well as a mini beast search in the forest habitat, will inspire the detectives and naturalists within your group.

Shelter Building
A great team activity. Children work together to construct sturdy shelters forest materials. Test the structure using the 'rain test'.
