

## Bushcraft Activities at Sherwood Pines

Choose from our range of bushcraft activities and team challenges to create your tailor made programme. Our range of activities can be adapted to suit any age.

### Shelter building

Create your own survival shelter out of forest materials. This activity is great to improve your teamwork skills.

45 minutes—2 hours

### Fire lighting

Try lighting a variety of tinder's, learn how to select good kindling and develop safe fire lighting techniques.

45 minutes—2 hours

### Water purifying

Learn how to filter and purify water to make it safe to drink.

45 minutes

### Wood whittling

Learn how to safely use a knife and try a variety of cutting techniques.

1 hour minimum

### Willow basket weaving

Learn a variety of weaving techniques to create your own round basket to take home.

Full day session, max group size: 6

### Tool use

Learn how to use a variety of hand tools safely for a range of jobs including thinning, pruning or coppicing small trees to help us improve our forest habitat.

Half day session

# Learning in your forest

## Campfire cooking

Prepare and cook your food over the campfire or use our wood-fired, clay oven, perfect for delicious pizzas!  
30 minutes—3 hours

## Green woodworking

Learn traditional green woodworking techniques. Using a shave horse, draw knife, froe and gouge you can create spoons, spatulas, coat pegs and small bowls.  
2 hours—full day session

## Traditional woodland crafts

Have a go at a variety of crafts. Make glue from pine resin, artist's charcoal from willow, natural cordage, knife sheaths or pendants.  
1 hour—3 hours

## Team challenges at Sherwood Pines

Test your teamwork skills with our range of challenges. These can be combined with our other Sherwood Bushcraft activities to make a great day out in the woods.

### Assault course

A great challenge that requires both problem solving and communication skills.

### GPS geo-cache challenge

Learn how to use our GPS devices to follow trails through the woods.

### Compass bearings challenge

Learn how to use a compass to follow a bearing while racing against other teams.
